

Chromebook Lease with Option to Buy Program

We are excited to continue with our laptop lease program. This laptop will allow students to retrieve and complete their school work wherever they have an internet connection.

Chromebook laptops are designed specifically for working on the internet. Because of this, they start up quickly, do not slow down over time, and do not need backing up. They are an effective and efficient learning tool.

Program Overview:

Chromebook: Lenovo™ N22 (see reverse side for details)

Lease: \$80 per school year

Total Cost: \$240

Also Included: Security program to protect internet browsing and to locate a device if it is stolen

Also Available: Hard case from iPearl (see reverse side for details)

Lease Terms:

1. Parent/guardian pays \$80 for one full school year with a Lenovo N21 Chromebook.
2. There are no refunds after 30 days into the lease. However, If you transfer out of NLA during the first semester \$50 will be returned, if you transfer in the second semester \$25 will be returned.
3. If you **do** transfer out of NLA you must return the chromebook **immediately**.
4. Leased Chromebooks must be brought to school every day.
5. If the Chromebook is damaged, lost, or stolen while at home, in school or in transport, the family is responsible for the cost of the replacement parts as required. Labor is free of charge.
6. At the end of the school year, Chromebooks are returned to North Lakes Academy to be inventoried. If you renew for the following school year you can have it for the summer once payment is received.
7. All chromebooks must be received by NLA prior to the end of the academic school year. Failure to return leased chromebooks will result in contact with Forest Lake Police Department
8. Once the total cost of the Chromebook has been paid the device becomes your property.
