Dear Parent(s) and Guardian(s) of NLA students:

North Lakes Academy frequently uses photographs of students in its publications and on the website. We need documented permission to use (or not) photographs of MNLA students in the media. We are always careful to not include traceable information about the persons shown in these photos, to protect the privacy and ensure the safety of our students. Please sign and return the form below indicating your preference in the use of your child's image in NLA publications.

Thank you,
