Relationship to student:

The school intends to use the requested information to provide for your child's health and safety needs while at school. You may refuse to supply the requested information—there will be no consequences—it may result in an incomplete health and safety plan for your child. The information you provide will only be shared with those whose jobs require access to this information to ensure your child's safety and school success. (MS section 13.04, Subdivision 2)
